The Student Council, made up of representatives from the six upper grades, works for the creation of better understanding between students and teachers, for improvements in our school, and for the promotion of activities which benefit the entire school. It approves and establishes a calendar for the activities of the various classes so that parties, dances, basketball games, and outside community activities will not interfere with each other.

The Student Council sponsors the Cole machine, proceeds from which are used to pay for the rental of chairs used in the auditorium.

A new project, which is of much interest to all the students, has been undertaken this year. It is the revival of the school newspaper, THE TORCHLIGHT, which has not been published for several years. A staff was organized and the first issue of the paper was distributed on Wednesday, November 25. Plans were made to publish succeeding issues on the last Friday of each month.

The band had a full schedule this year--working both summer and winter months. We took part in the annual "Pet and Pup" parade in Norwalk in May and marched in the Memorial Day parade in North Fairfield. We had two practices shortly before school started in September in order to prepare for the Huron County Fair. During basketball season, we performed at the Greenwich, Alumni, New London, and Wakeman home games.

The band attended the Huron County Music Festival at New London on March 12. We had our usual Spring Concert, May 5; finally, following the tradition of past years, we played two selections at the commencement program on May 28.

The Varsity Club, a new organization this year, has been formed for the purpose of promoting closer unity among the letter men of the baseball and basketball teams. As members of the Varsity Club graduate this year and in coming years, they will still be eligible for membership in the organization; thereby creating a stronger tie between graduates and the school.

Several activities were planned and carried out by the club during the year. One project, the printing of basketball programs which were sold at the home games, was well received. "Fathers' Night" was held Wednesday, February 6, at which time the club members' fathers were given reserved seats in the front row at the basketball game with Monroeville. After the game, the fathers were entertained at a banquet given by their sons in the school cafeteria.

FRESHMAN INITIATION

One of the most outstanding events of the year, freshman initiation, took place Friday, October 2, 1953. The senior class planned the costumes that were to be worn by the freshmen and, on initiation day, the freshmen class was made up of gaily dressed cowboys, cowgirls, cheerleaders, majorettes, gypsies, football players, witches, and black-face "Topsies."

The entire student body gathered together at two-thirty to watch the formal initiation in which each freshman participated in a special feat. Everyone, including the freshmen, enjoyed the program, and the seniors wholeheartedly welcomed the freshmen into full high school membership at the close of the program.

That evening the freshmen were entertained at a party given for them by the seniors in the high school gymnasium.

SCENES FROM JUNIOR - SENIOR PROM

JUNIOR-SENIOR PROM

The Junior-Senior Prom, one of the outstanding events of the school year, was held Saturday, May 2, 1953 at the North Fairfield School gymnasium. The gym was attractively decorated in a nautical theme--a theme which was predominate throughout the program.

Guests were welcomed aboard the "S.S. PROM" by "Steward" Roger Sweeting, and were assigned to their tables by "Captain" Jim Gahring. After dinner was served, toastmaster Eugene Sands introduced the speakers--Larry Brown, Barbara Chandler, and Eldon Eastman. Entertainment was provided by the Willard Dance Studio which presented several song and dance acts.

The evening was brought to a close by dancing to the music of Kirkpatrick's Orchestra.

HOMECOMING

Queen Margaret and Escort

Tuesday evening, December 22, 1953, Margaret Seidel was crowned "Homecoming Queen" of the 1953-54 basketball season by Russell Conaway, honorary captain of the basketball squad.

The queen and her escort, Russell Conaway, were attended by Barbara Chandler and Folly Phillips (seniors); Ruth Ann Wilhelm and Merlin Baker (juniors); Janet Durling and Randall Garner (sophomores); and Audrey Wheeler and Richard Conaway (freshmen). The attendants were chosen by the basketball squad, and the escorts by the four high school classes.

After the crowning ceremonies, the queen and her attendants were escorted to the blue and white throne awaiting them on the stage, from which they "reigned" during the varsity-alumni game. Closing a hard-fought contest, the varsity team came out victorious with a score of 66-45.

The evening was climaxed with the "Homecoming Dance" sponsored by the Student Council.

STUDENT TEACHER DAY

Wednesday, November 18, the Senior Class observed Student Teacher Day in connection with Education Week. Members of the class made application for the particular type classes they preferred and, after an election was held, the following students were "hired".

Phys. Ed. Folly Phillips
English Vaughn Fife

Jr. High English . . . Barbara Conaway
Math. and History . . . Roberta Cherry

Prior to the day on which they were to teach, the students contacted the regular teachers for instructions on the material to be covered in class. During Student Teacher Day, classes ran very smoothly and the spirit of cooperation among students in the classes was particularly evident and much appreciated by the student teachers. During the day, members of the senior class who were not teaching, acted as board members and visited various classes as they were in session.

Student Teacher Day was so well received that plans were made to have a Student Teacher Day in the grade school in the spring.

Mr. and Mrs. Hawkins
SPECIAL SPEAKERS

P. T. A.

We feel that the P.T.A. deserves a vote of thanks for the fine work it is doing in helping improve our school. We especially appreciate the new tables in the cafeteria which were furnished by them and the drapes for the gym windows that are being made by the ladies so we may show moving pictures more clearly during the daytime.

Students, parents, and teachers alike have enjoyed the many fine programs and interesting speakers who have been brought to us at the P. T.A. meetings each month.

State Patrolman

BUS DRIVERS

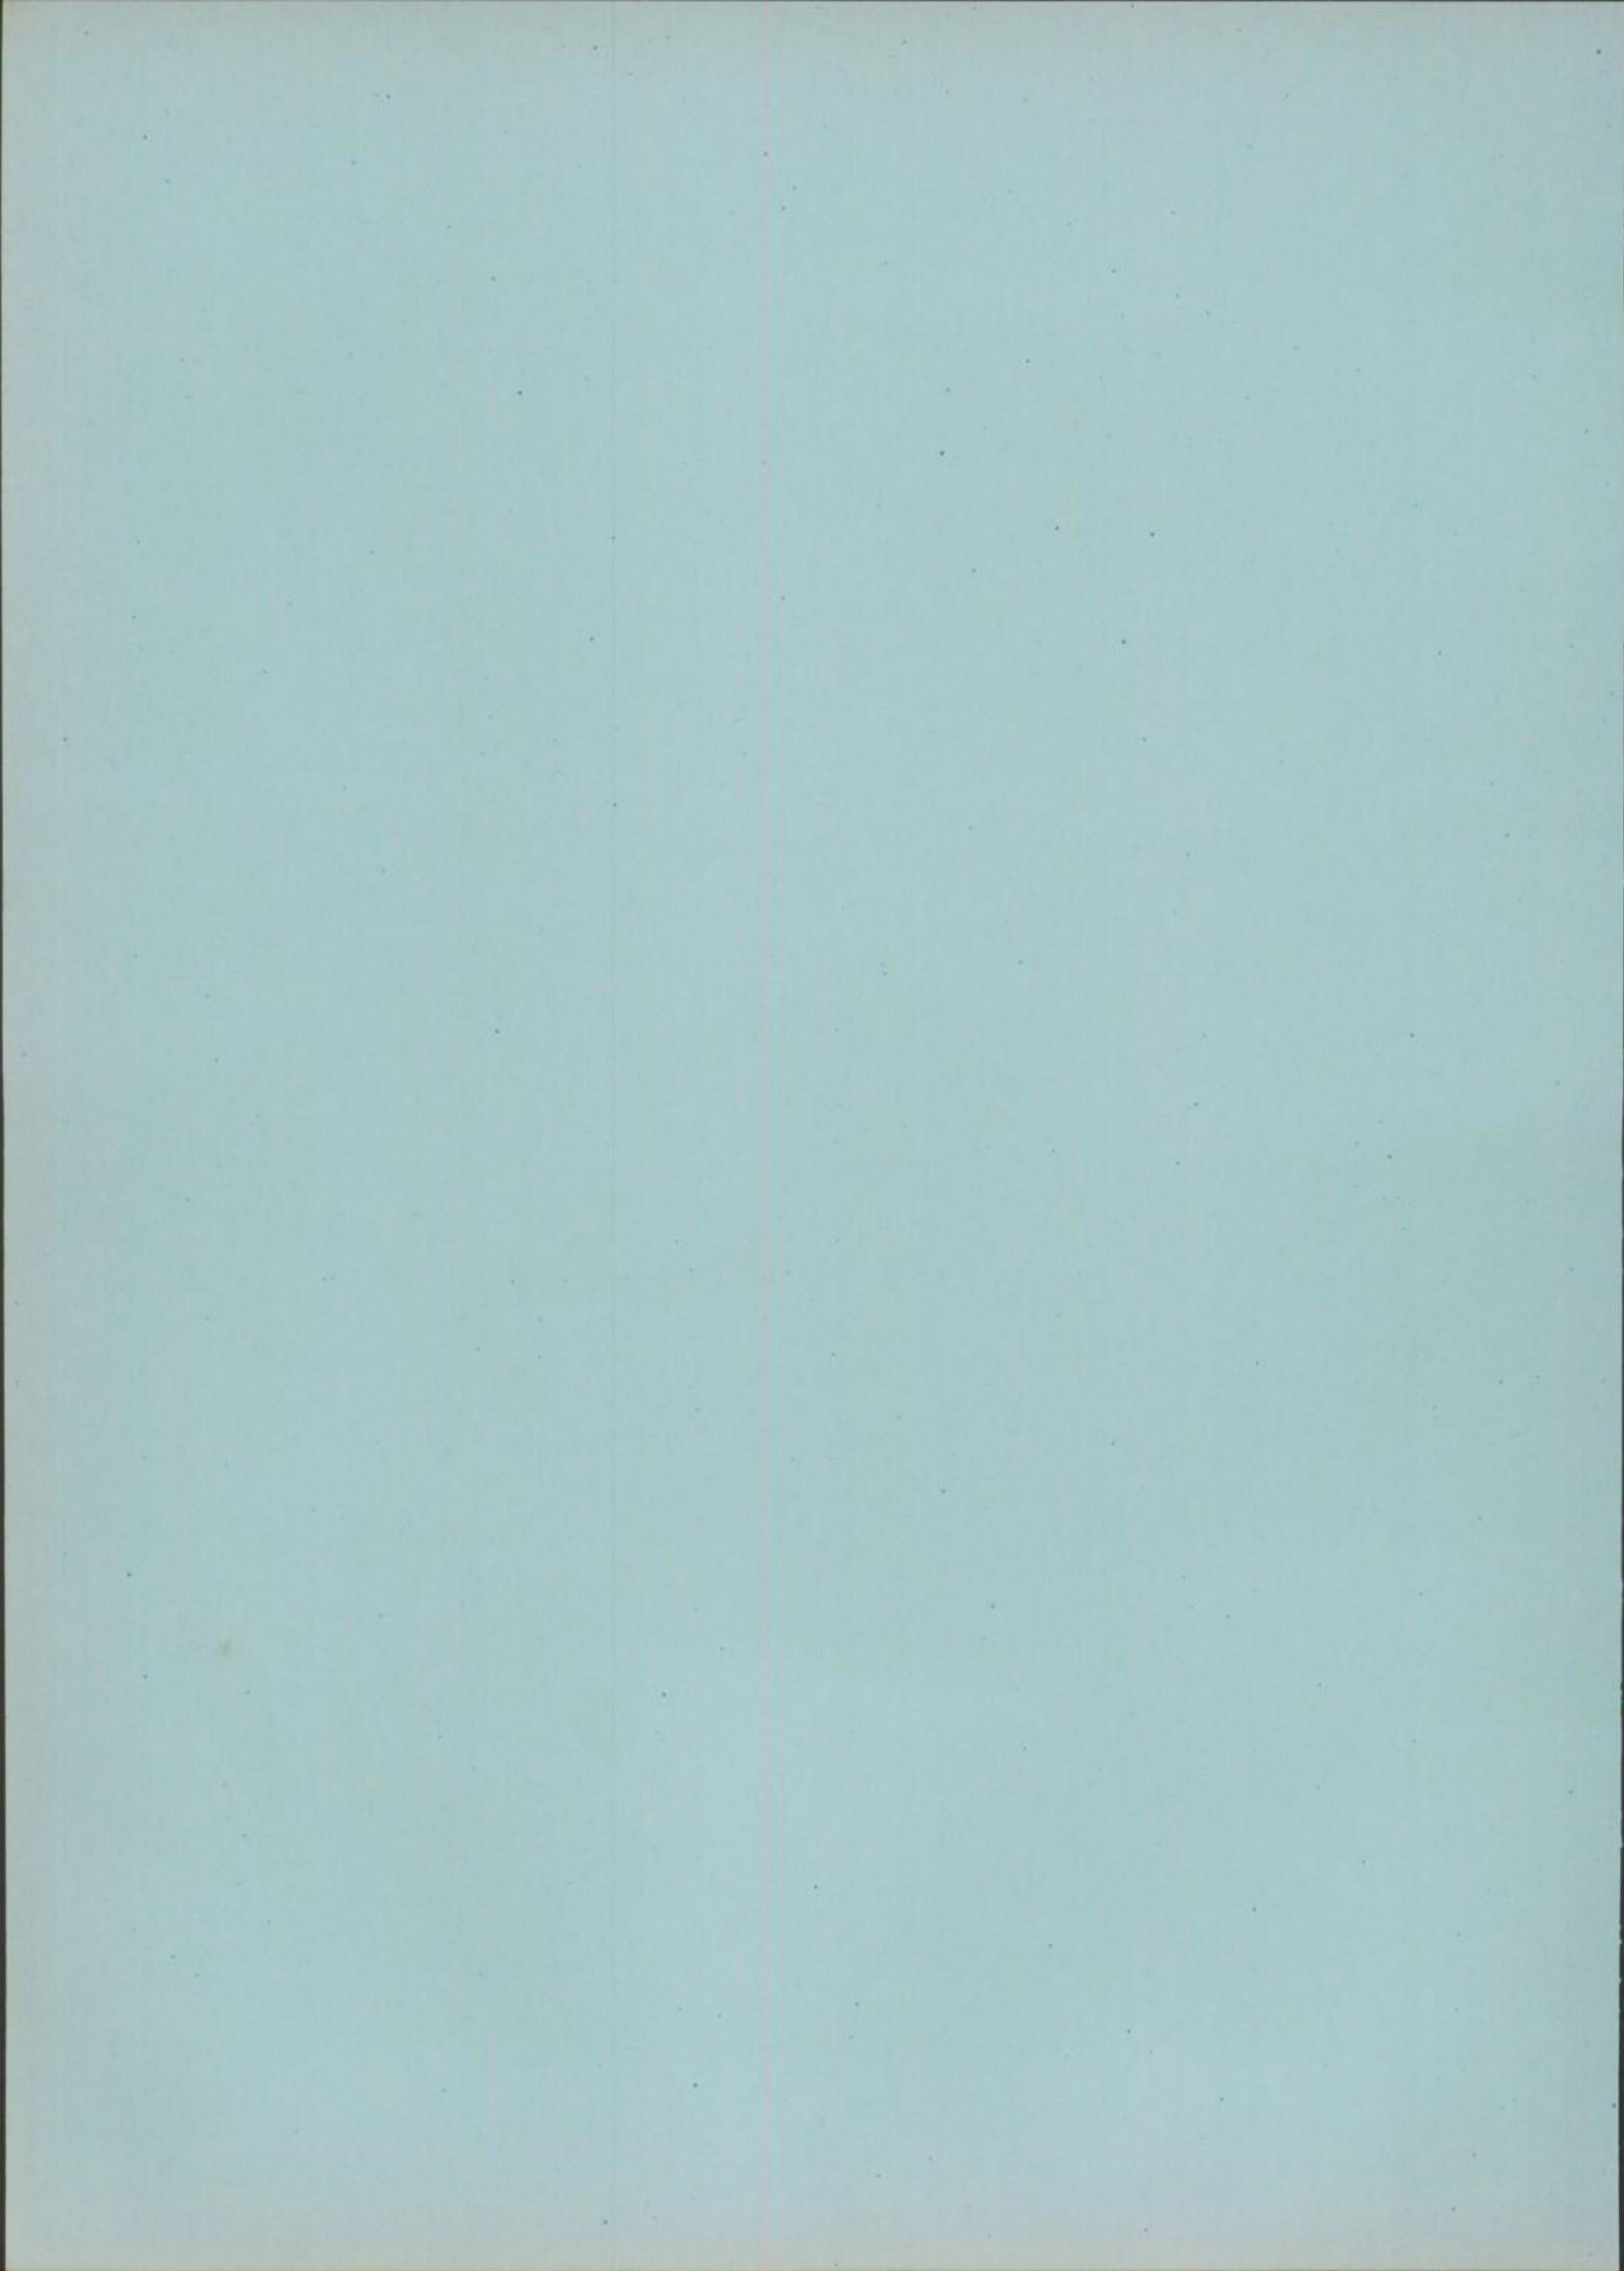

Bob Reilly, August Bender, and Norman Gannett.

Much like the proverbial postmen, our bus drivers make their rounds regardless of the weather, except when the roads are considered hazardous to the safety of the children. We appreciate the care they exercise in handling the responsibilities involved in transporting the students of our school to and from their homes. Finally, too, we appreciate the fact that they are more than just drivers, they are our FRIENDS.

THANK YOU

— Junior Class for your help in soliciting ads for the annual. We think you did a fine job. We sincerely hope next year's class will help you as much as you have helped us!

The Class of 1954

Saving **BRINGS
A HARVEST, TOO**

of ambitions achieved... dreams realized. Those hopes and plans for your family and farm – why not start *saving* for them, at our bank? The more (and the more regularly) you deposit, the sooner you'll reach your goals.
